Dedication

..... BERNARD S. KARST S. J.

..... I know the fellows at Regis will take note of this dedication and be assured that no better person could have been chosen. To know him is to be his friend. Father Karst is a man who has studied many years, and now unselfishly uses his education and experience to help us at Regis. His means of doing this is by being Rector of Carroll Hall, and teaching in the College.

Father Karst; whose philosophy delves into the most minute college problem, who knows the thoughts of college men, and whom the boarders claim is also a mind reader; whose facial expressions carry all moods, a warm smile when a fellow most needs it, and a soberness that would make even the most aggressive shy; who knows all excuses and is fooled by no one; whose every undertaking has no failure; and whose memory has no bounds.

Because of his superior and outstanding qualities, and most of all for what he has done for Regis, we are proud to dedicate the 1954 RANGER.

Foreword — THE 1954 RANGER HAS ONE PURPOSE — TO RECORD IN WORDS AND PHOTOGRAPHS A YEAR AT REGIS COLLEGE.

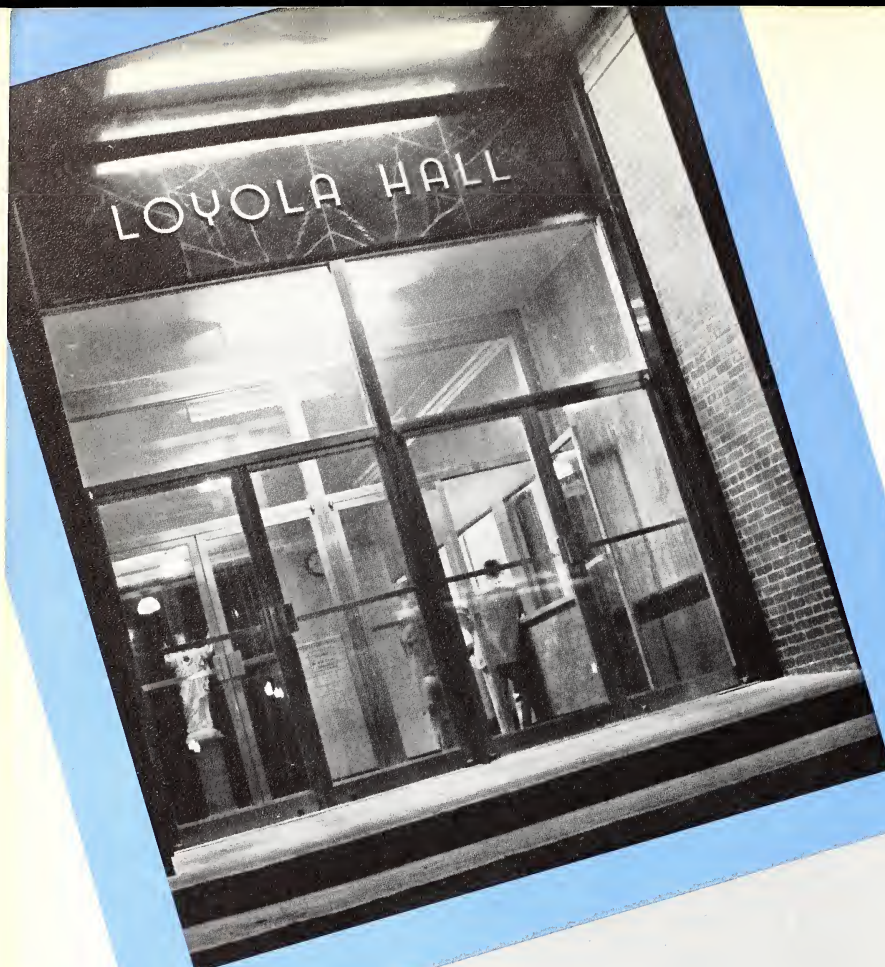

OUR CHIEF AIM IS TO PRODUCE A YEAR-BOOK THAT YOU WILL ENJOY AND PROFIT FROM. IF IN THE YEARS TO COME, THE 1954 RANGER HELPS YOU TO RE-LIVE YOUR YEARS AT REGIS COLLEGE, WE WILL KNOW THAT OUR BOOK HAS SERVED ITS PRINCIPAL PURPOSE.

THE CREDO OF REGIS COLLEGE

There is a world wide struggle to capture the mind of youth. Through "youth movements" foreign dictatorship aim to pervert their pernicious doctrines. In our own country youth is exposed to these poisons which are despoiling our hard won liberties. Protection should, therefore, come from the leading universities and colleges of America.

Regis College refuses to subscribe to the doctrine that "academic freedom" may be used as a pretext to teach systems which destroy all freedom. We proudly affirm that we have always taught and will continue to teach the following creed:

We believe in God.

We believe in the personal dignity of man.

We believe that man has natural rights which come from God and man from the State.

We are therefore opposed to all forms of totalitarian philosophy based on the totalitarian philosophy that the "total man" belongs to the state.

We believe in the sanctity of marriage and of the home. We believe in the sanctity of the family.

We believe in the natural rights of religious freedom, and we believe that every man has certain sacred obligations.

We believe that man is not only made but also created.

We believe that God has not only rights but obligations.

We are vigorously opposed to all forms of "racism" - persecution or intolerance because of race.

We believe that liberty is a sacred thing but that the law, which regulates liberty, is a sacred obligation.

We believe in upholding all the essential principles of American Democracy and we are open and frank in our issue with all brands of spurious democracy.

We believe, prior to the teachings of Christ, that we therefore hold that morality must regulate the personal, family, economic, political, and intellectual life of man if civilization is to endure.

Archbishop of Denver

Most Reverend Urban J. Vehr

RICHARD F. RYAN S. J.
PRESIDENT, REGIS COLLEGE

PRESIDENT'S MESSAGE

"You are all beautiful, O Mary. You are the glory, you are the joy, you are the honor of our people."

Thus in this Marian year the whole Catholic Church salutes the Immaculate Queen of Angels and Men.

Thus, in a victorious year of deliverance, centuries before Mary the Mother of God lived on earth, another prayerful people, God's own chosen race, sang the praises of brave Judith the woman of incomparable loveliness who single handed put to rout the threatening pagan hordes from the north and east who threatened the very existence of God's people and God's civilization.

Dear students and friends of Regis College, in this present Marian year another pagan force of false ideas and godless men threatens the civilization of the centuries, the civilization of Christian ideals and aspirations of clear eyed Christian men. Pagan hordes again assail the city seated on the mountain where the light of God's truth shines and the darkness comprehends it not.

It is our earnest hope that you Christian men of Regis, fighters all for truth and righteousness, will be before the world a light that shineth in the darkness; that you will stand and be assayed at your true worth, for you are in all reality the salt of the earth; that you will stand and be counted as the blessed brothers of Christ and the honored children of Mary; that you will stand before the men of today and the children of tomorrow as leaders all, the stalwart men of Regis College, the glory, the joy, the everlasting honor of our people. May God prosper you in future days and bless each of you always.

TO THE SENIORS:

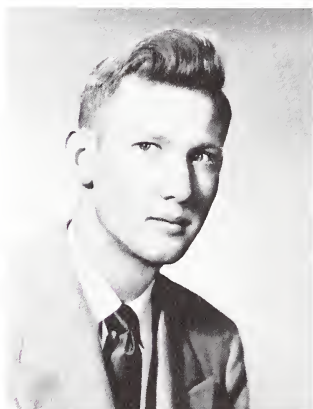

Graduation means more than entering a world of business . . . it means leaving Regis and all she stands for. But the things for which Regis stands are not to be picked up and discarded at will. Once attained these ideals become a part of you, they are ingrained in your very attitudes and are lost only when you change your philosophy of living.

Regis is not an institution of stone and mortar where only calculus and English are taught . . . it is a fortress of spirituality and idealism in a world torn by cynicism. The class of '54 goes out from Regis but Regis does not go out from you. The spirit of Regis will be with you always . . . live as she has taught you to live, as a Catholic gentleman.

Delta Sigma, the oldest professional fraternity on campus saw one of its most active years this term. The annual Delta Sigma Presentation Dance, held this year in the Cathedral Room of the Albany Hotel, was a huge success. Several guest speakers were featured at professional meetings, an outstanding one being a Secret Service Agent, who explained the function of the Secret Service. Another successful function was the co-sponsoring of the February Fantasy held at the Town House in East Denver. A rush-week brought in many new members. In addition to their great showing on Campus the Delta Sig's are petitioning for national affiliation with the Alpha Kappa Psi Fraternity.

One of the most interesting organizations on the campus is the History Club. Not confining itself to the affairs of men and nations the club chalked up an impressive record in the field of current events; among them were two very interesting debates concerning both McCarthyism and the United Nations. They also held a discussion on the Farm Policy of the United States. These debates and discussions were in the Library in Loyola Hall and were very well attended by both the student body and the general public.

The Sodality attend daily Mass and frequent the Sacraments, they teach catechism to the Catholic student in public schools, visit prisons and reform schools, collect funds and clothes for the home and foreign missions and work for social and inter-racial justice. The REGIS BROWN & GOLD

Vol. XXXVII No. 1

REGIS COLLEGE — DENVER, COLO.

Friday, Sept. 18, 1953

Moderator

The Rev. Edward H. Wintergalen, between his classes, where he instructs in Economics, and after class, when he is not correcting exams, spends his time as director of the *Brown and Gold*. And while doing all this he still finds time to practice his favorite hobby, photography. During the past year, Fr. Wintergalen, with the help of Roman Borgerding, has improved the photo-lab with much needed equipment. And as a result of his hobby Fr. Wintergalen is able to supply the paper with striking photos of campus activities and sports action. Since 1942 Father has taken a deep and a much appreciated interest in student activities.

Freshman

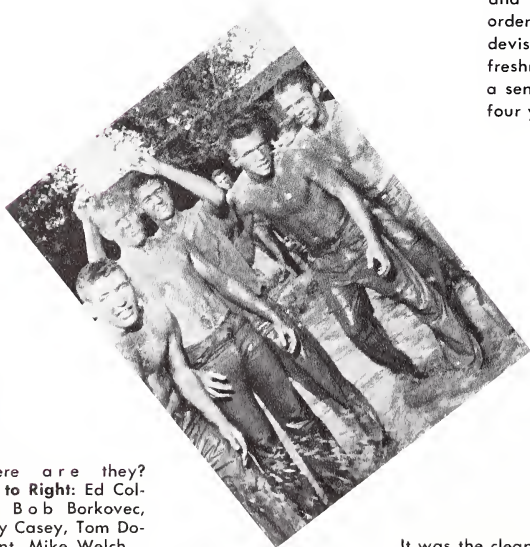

Mob rule!

"Is this stuff terrible," E. L. Moorhead is the only person that can be identified.

Regis College, like any school, wishes its freshman class to appreciate the spirit, which is a part of the school and which soon becomes a part of any Regis man. In order that they develop this spirit, the upper-classmen have devised many harmless requirements that the incoming freshmen have to undergo. This initiation leaves them with a sense of the spirit that is expected of them for the next four years in all Regis activities.

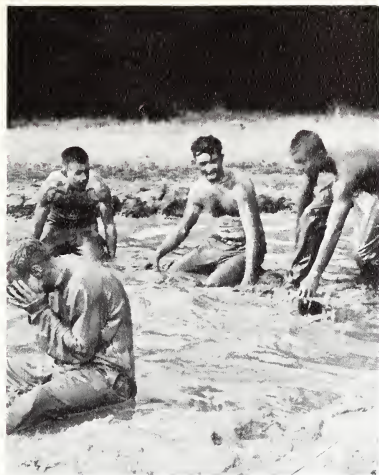

Where are they?
Left to Right: Ed Collins, Bob Borkovec, Jerry Casey, Tom Do-brient, Mike Welch.

Initiation

Jim Dwyer and three other unidentified freshmen (for obvious reasons) recover from the effects of the "Good Earth."

Ed Schlutz and Manuel Rosado are still friends.

This initiation lasting for the first few weeks of school, requires the unfortunate freshmen to treat their elders with respect, to be correctly styled in their fashionable green beanies, to have a match for every cigarette, and of course, at all times perform every service and courtesy possible to the oldtimers on the campus.

All this continues until the last day, which is topped off with a mud-fight, a Field Day, and the Freshman Frolic Dance, which gives the now spirited freshmen a chance to tell their troubles to wide-eyed listeners.

Annual Retreat

Rev. Paul Smith S.J., Retreat Master

Each year towards the end of the first semester, the college sponsors a three-day retreat for the students. During these three days, which are filled with instructions, meditations, prayer, Benediction, Mass, and spiritual reading, the students pause from their studies and activities to strive to become more spiritually perfect.

The Spiritual Exercises of St. Ignatius Loyola this year were mastered by Fr. Paul Smith, head of the English Department at Rockhurst College, Kansas City, Mo. The retreat began with Mass on the morning of January 25, and concluded on Jan. 28 with the Pontifical Benediction for all retreatants.

In this day of the Communist threat, red scares, student riots, and with the publication of such pamphlets as the **Watch Tower** and the **Daily Worker**, and all the turmoil connected with subversive movements, the student government and the **Brown & Gold** had the scare of their careers, with the suspicion that there was about to be a bloodless revolution on the campus, inspired by the Freshmen left-wing pamphlet **IT**.

But their suspicions were unfounded.

Sports

Harvey Moore

Taking up the reins of The RANGERS this year after two years as athletic director and head basketball coach at Westminster High School, Harvey Moore has whipped a young inexperienced squad into a fine cohesive unit which promises to be a great team in the future.

A former Ranger court star himself, Harvey was known to his opponents as "The Hook" for his uncanny one-armed wizardry. He was a senior on the '49 Buzz Boy quintet that won 36 of 39 games, second place in the NAIB tournament in Kansas, and first place laurels in the National Catholic Tourney in Denver. He later was named to the All-Catholic All-American team. Harvey is married, has one son, Harvey, Jr., and hails from Adamsville, Tennessee.

Coach Moore put every effort into shaping the freshman dominated squad into a smooth functioning five. The season's schedule was one of the roughest that Regis has ever encountered and the "Mooremen" finished the year with a better than average record. "We had a dadgum terrific team this year," says Harvey.

The future of the Ranger team has been placed in fine hands and a bright basketball future looms.

Tom Hoogerwerf (16) frosh guard, adds two towards his 28 point total against C.C. as Hower (12) views intensely.

JACK GLEASON

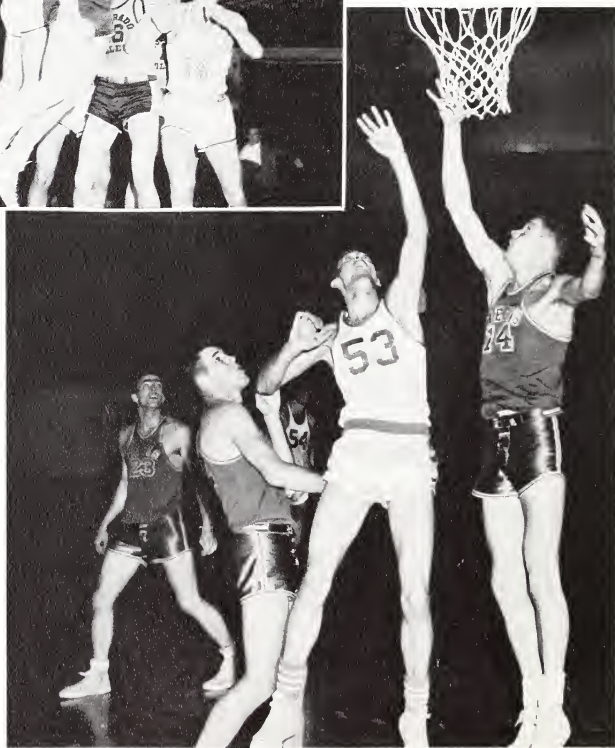

JACK "GLEEP" GLEASON — Captain Jack Gleason, the only senior on the team, supplied the young club with poise and stability. The rangy forward hails from St. Louis, Missouri, where he played for St. Louis U. High. Jack was a good rebounder and a fine floor man, and could always be counted on to score his share of points. The hustling captain has been a varsity standout since his sophomore year.

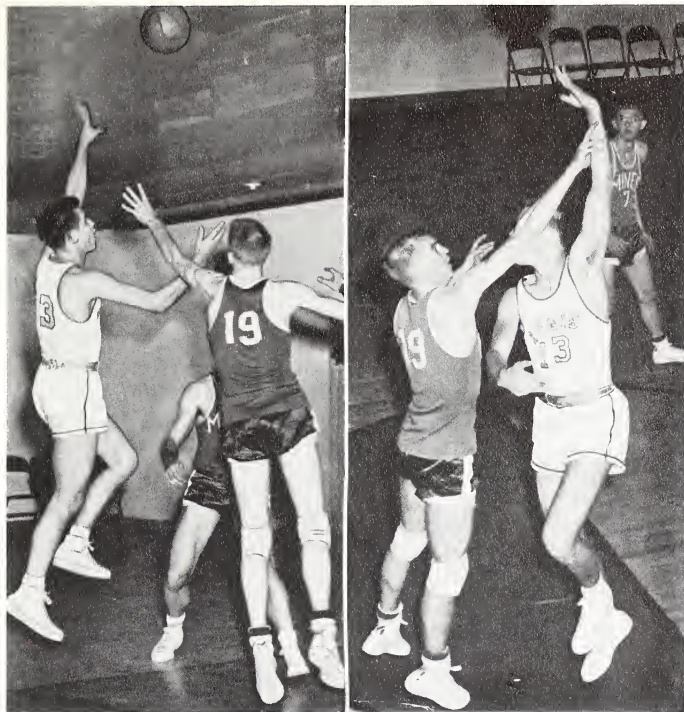

Gleason (14) awaits rebound.

Mighty W.K. Edges Rangers

Bowling Green, Ky., Jan. 29—Nationally ranked Western Kentucky defeated the hustling Buzz-Boys 87-72 in a game that showed the Moore Men's mighty spirit. Heavy underdogs going into the game, the Rangers pulled to within seven points with three minutes to play. But the Regis defense backfired and the Hilltoppers capitalized at the charity stripe. Tom Marshall, All-American, highlighted the game with a 39-point outburst. "Curly" Hoogerwerf bolstered the Regis cause with his 18 points.

Jack Gleason (14) tips in two points as Cavins (23) and Hower (12) look on anxiously.

Mickey Shannon (13) swishes his patented hook shot with considerable ease.

MICK "STICKS" SHANNON — Ranger Mick Shannon, the sensational sophomore center, led this year's team in scoring. A deadly left-handed hook shot was his real scoring weapon, and he used it well to the dismay of his opposition. Even as a freshman "Sticks," the tallest man on the team, broke into the starting lineup often. He is a sharp rebounder as well as an invaluable scorer, and calls his hometown as Cape Girardeau, Missouri.

Rangers Maul Miners

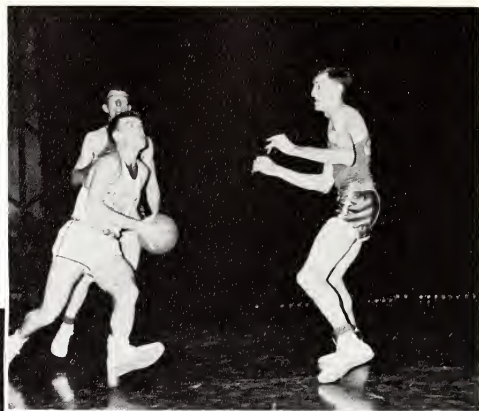

Dec. 18-Dec.19 — The clash with Colorado Mines resulted in a double victory for the Rangers. The Buzz-Boys crushed the Orediggers 67-53 and 70-54. Shannon's 20-point spree at Golden snapped a four-game losing streak. Hower and Ernst chipped in 16 and 11 tallies respectively as the Rangers dominated the game with brilliant floor play. Returning to Denver the Mooremen topped the Miners again at the Regis gym in a clean sharp contest in which only 22 fouls were called. Dick Eckhard broke the game wide open following the half-time break with three fast baskets. Shannon, Gleason, and Eckhard countered with 16, 11, and 10 respectively.

MICKY SHANNON

Mooremen Crash C.C. Twice

Colorado Springs and Denver, Feb. 5-6 — The Buzz-Boys got back into the winning habit after their mid-west swing by taking a twin-bill from Colorado College 73-42, 93-54. Neither game was in doubt after the first minute, as the red-hot Rangers singed the nets with their shots. The star of the series was Tom Hoogerwerf, the "Rock Island Flash," who peppered the nets for a combined total of 53 points in two night's play.

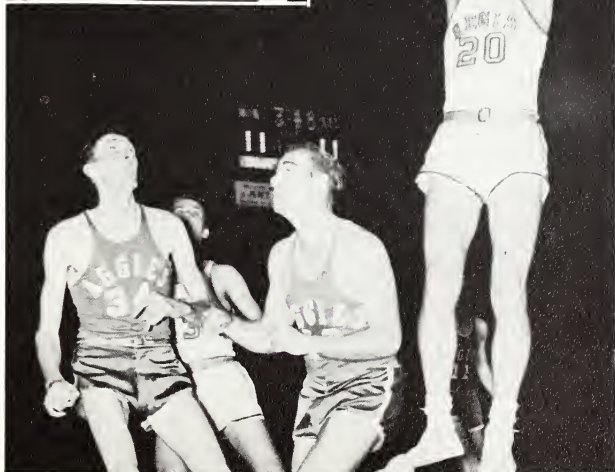

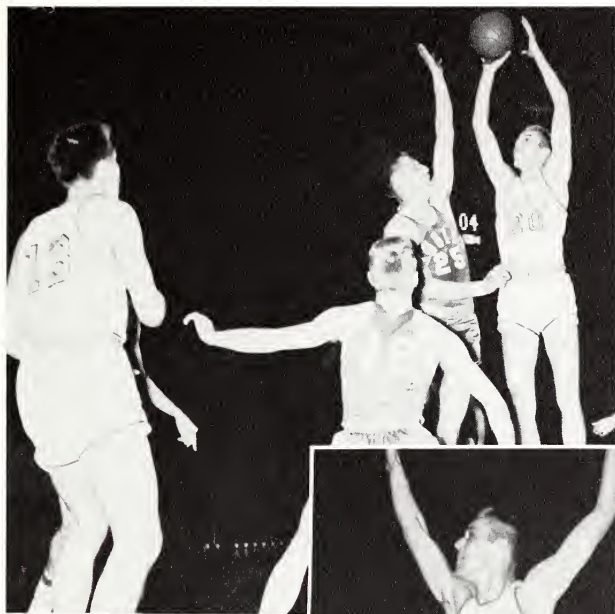

Hoogerwerf on another one of his point rampages.

TOM HOOGERWERF

TOM "CURLY" HOOGERWERF — "Little Napoleon," as his coaches call him, possesses the best basket eye on the squad. His versatility keeps the opposing coaches awake at night planning defenses to stop his deadly two-handed set-shot, only to have him drop one in with his deadly jump shot. "Hoogy" is a rock on defense and a fine floor general. His work in the Western Kentucky and Hardin-Simmons games will long be remembered by the local fans. Tom is the nucleus around which next year's Rangers will be built.

DICK "SPIDER" ECKHARD — Eckhard a lanky lad from St. Louis, Mo., was a real first-string ballplayer for the Rangers this year. "Spider," as his teammates tagged him, possesses a fine jump shot and a wonderful pair of legs. His rebounding is one of his main fortes and has helped the Buzz-Boys out of trouble many times this year. Although he is only 6 foot 2, he drops the ball in the bucket with comparative ease and he is a hawk on defense.

Eckhard hits twice with his famous jump shot.

DICK ECKHARD

Aggies

Dec. 11, Feb. 20 — In a hard fought battle at Fort Collins, a seasoned Colorado A&M five halted the Regians by a 77-62 margin. The freshman dominated Mooremen couldn't overcome the veteran Aggies, but Ranger Allen Hower, making a late first quarter entrance, stole the show with a brilliant 29-point performance. Dick Eckhard, frosh forward, netted 12 points as he portrayed fine hustling floor play. The game at the city auditorium was a repeat performance for the Aggie five, as A&M nipped the Ranger quint 64-52 before a fine crowd. Mick Shannon took high scoring honors for the Regians with 16 points as he played one of his finest games before leaving on fouls in the fourth period.

GIL CAVINS

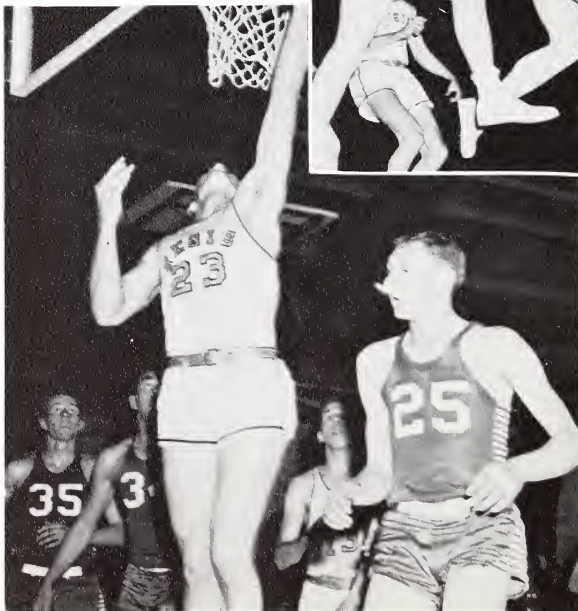

GIL "SKIP" CAVINS — "Skip" was one of those "sine qua non" players for the Rangers this year. Without him, the Buzz-Boys would have still been up to their knees in trouble. His fine basket eye, remarkable playmaking ability and talented defensive work were displayed many times this year. The Hardin-Simmons game was a prime example of "Skip's" value to the team. This native of Rock Island, Ill. will be a first-rate guard for a few years to come, forming with Tom Hoogerwerf one of the toughest back-lines in these parts.

Skip Cavins (23)
hits for two points.

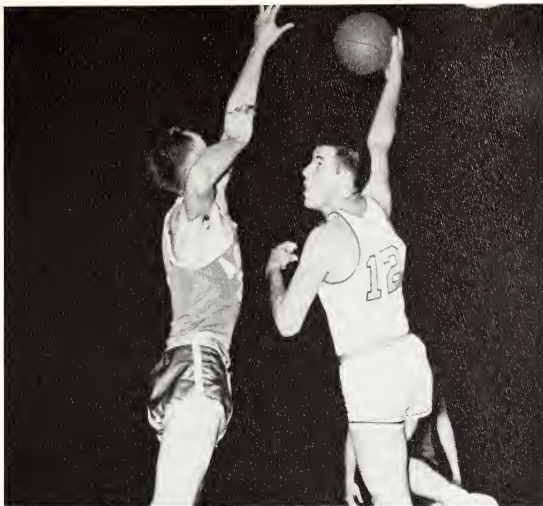

Ft. Hays Too Tough

Ft. Hays, Dec. 29 — Jan. 23 — Returning from a brief Christmas vacation, the Rangers encountered Fort Hays and were whipped 79-66. Facing a 48-21 deficit at half-time the up and down Buzz-Boys retaliated with Hower's 19 points and Gil Cavin's 12, to somewhat close the gap on the Kansans but all in vain. Youth once more was the story as Kansan ball thefts were frequent and the Rangers seemed to have lost all finesse.

Cavins (23) gets set to block shot.

Hower hooks again.

Hower (12) scares Fort Hayes Cager into losing ball, as Shannon (13) and Cavins (23) look on.

ALLEN HOWER

ALLAN "HORSE" HOWER — The workhorse of this year's Rangers, Al was one of the club's leading scorers. Although standing only six feet two inches, he was the leading rebounder of the crew, as his work in the district play-off game with Adam State will testify. "Horse" was the leading scorer in the Denver Suburban League last year, as well as being an all-stater in football for Littleton, Colo. He will be a definite asset for the Buzz-Boys next year under the boards.

Mooremen Down Fort Hays

Fort Hays, Kans., Jan. 23 — Behind going into the last five minutes, the Rangers pulled away from Kansas State of Fort Hays to win 75-71. This avenged an earlier setback by the same ballclub in Denver. Alan "Horse" Hower and "Sticks" Shannon led the Buzz-Boys with 22 and 18 points, respectively. This was the start of a five-game junket through the mid-west.

Creighton Humbles Rangers

Omaha, Nebr., Jan. 4 — A star studded Creighton five humbled the Rangers at Omaha, Nebraska, on Monday night by a 81-59 margin. Lack of experience seemed to be the Ranger drawback, although Tom Hoogerwerf tallied 21 points, followed by Shannon's 15 tallies. The fine showing of hustlers Bill Ernst and Skip Cavins never ended as the Rangers fought to get back in the contest, but in vain.

"I thought I had it," says Willie Ernst.

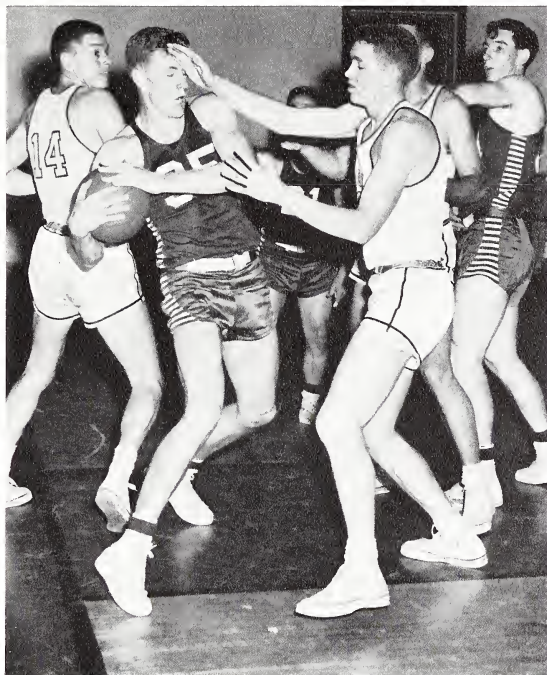

Ernst hits for an easy two.

BILL ERNST

BILL "CHEETAH" ERNST — Bill, with his aggressive style of play is a necessary cog in the Ranger machine. Many times this year Big Bill pulled the Rangers out of a tight spot with a brilliant gem of defensive play or with a few well-timed set shots. Hailing from St. Louis, Mo., "Cheetah" displays a deadly two-hand set shot, flailing arms and hard-driving brand of ball. He will be back for two more years to terrorize Ranger opponents, and continually to display the hustle that he shows constantly.

JERRY "COUNTRY" POWELL — Jerry was one of those dependable reserves without which a basketball team could not function. Working for his second letter this year, "Country" displayed his rebounding talents on many occasions. He has a fine one-handed jump shot and a pair of legs that are the amazement of every Regis opponent as well as every fan. And from whence did the nickname "Country" come? Well . . . his teammates claim Jerry can jump a country mile — straight up! And that in itself is the story of Jerry Powell.

Gleason (14) and Powell (right) give Adams Stater a rough time.

Powell (8) guards Portland player closely.

Adams State Falls Twice

Breaking a three-game losing skein, the Rangers quelled Adams State Friday night on the Regis hard court by a respectable 72-66 score. Paced by Hower's 20 markers and Eckhard's 16, the Buzz-Boys caught fire for a hot victory. Gleason and Hoogerwerf also hit the double figure column as they dumped 10 and 13 points apiece. Saturday night the same story prevailed as the roaring Rangers crushed the Indians again by a 63-46 margin. A 21-point surge by Hower and 13 and 11 from Shannon and Ernst proved the deciding factors for the Mooremen. Substitutes were frequent as hustlers Lee Hudack and Jerry Powell displayed their hidden talents.

LEE HUDACK

LEE HUDACK — This New Baden, Ill., native is well known to the followers of The Rangers through his spirit and ability. A reserve on this year's squad, Lee was one of those boys who could be called upon at any crucial point in a game, and could be depended upon to deliver his best, which was always good enough. Possessing a deadly long, one-handed push shot, a great variation of drive-ins and an insatiable desire to win, Lee was a needed ingredient for the success of the Rangers this year.

Rangers Rock H.S.

Denver, Dec. 21 — The young Rangers thumped highly-rated Hardin-Simmons University 74-43 on the city auditorium hardwoods. In command after the first seven minutes, the Buzz-Boys were never headed. A blank-wall defense, led by "Skip" Cavins and Tom Hoogerwerf and Lee Hudack, plus a well-balanced attack in which four players hit for double figures, accounted for the Ranger win.

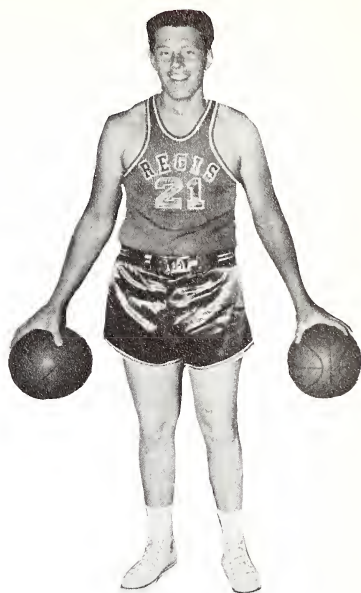

Lee Hudack (17) and Dick Eckhard (20) tussle for possession of ball against Alumni.

BOB MASSMAN — A product of Regis High School, "Big Red" was a dependable reserve on this year's Ranger crew and a standout on the Frosh Five. Noted for his huge hands, tough rebounding and Gargantuan appetite, Bob was a creditable ballplayer all year. He also is possessed of a tremendous right hand push shot. Bob will be an important factor in Coach Moore's plans for next year.

Collins hits for two as Massman (22) comes in for support.

ED "FINGERS" COLLINS — A Fort Dodge, Iowa native, Eddie had many tough breaks this year. After showing much promise in the upperclassmen-frosh game at the beginning of the year, he broke his foot and was sidelined. After coming back, he played creditable ball on both the varsity and frosh crews. Eddie is a capable outside shooter, a good ball-handler and a very fine defensive player, possessing perhaps the best pair of hands on the squad.

Rangers Start Season With Victory

Gleason tries as Hower (12) looks on.

Kansas City, Mo., Dec. 16 — An airtight defense plus the Rockhurst slow-break proved too much for the Mooremen as they dropped a 54-45 decision to their sister Jesuit school. The Buzz-Boys tied up the ball game at the seventh minute mark but never saw daylight again. Dick Eckhard took game honors with 16 points.

"Spider" does the Creep.

Shannon (13) hooks for a deuce against C.C.

East New Mexico, Dec. 4-5 — The Rangers opened the season by traveling to Portales, New Mexico, where they stunned Eastern New Mexico on consecutive nights with scores of 74-61 and 77-62. Hitting 51% of their shots in the first half of the Friday game, Harvey Moore's charges cruised the remainder of the contest. Veteran Jack Gleason took scoring laurels with 24 points. Returning the following evening the Buzz-Boys once more humbled the pressing Greyhounds with Allan Hower taking scoring honors with 18 points.

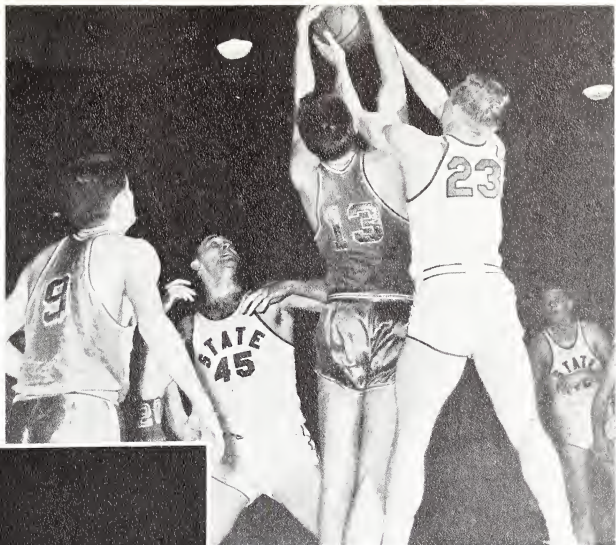

Buzz-Boys Thump

W. State Twice

Gunnison, Colo., Jan 15-16 — The Rangers extended their seasons record to 9-7 with a double triumph over Western State, 56-52 and 74-64. The first game saw the Regis men, displaying brilliant free throw accuracy, pull up from a ten-point deficit to win. "Mick" Shannon's 27 points salted away the second night's win over the Mountaineers.

Buzz-Boys Bump "Ark" State

Jonesboro, Ark., Jan. 27 — After a slow start the Rangers handed a well-regarded Arkansas State five a 73-64 lacing. Bombing the nets at better than a twenty point a quarter barrage for the last three periods, the Mooremen were never seriously threatened. "Sticks" Shannon with 19 and Dick Eckhard with 16 led the Rangers. In addition to his point production, "Spider" turned in a shining defensive game.

Shannon (13) goes high for a rebound with Ernst (9) there if needed.

Powell deflects shot as Hoogerwerf (16), Shannon (13), Ernst (9) are in for rebound.

Portland, Dec. 30 — Playing fine ball for three quarters, the Rangers finally yielded to a hot Portland rally in the final five minutes of the game, as the Pilots tipped Regis 64-59 at the City Auditorium. Battling on even terms throughout the first half and tying the score seven times in the third period, the Buzz-Boys folded in the final quarter.

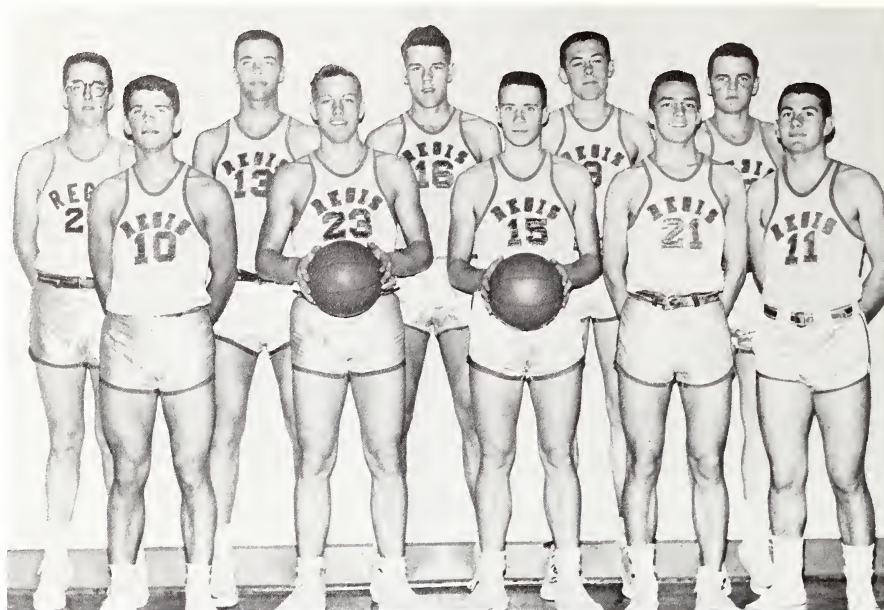

ALL five Rangers are in for the rebound.

Tech Knocks Rangers

Russellville, Ark., Jan. 25 — A strong Arkansas Tech nudged the Rangers 86-81 in an old-fashioned, barn-burner finish. The turning point came when, with 5 minutes left in the 4th quarter, Mick Shannon picked up his 5th personal. Up to this point, it had been Mick who, with his 18 points and fine rebounding, had kept the Buzz-Boys in the game.

If the '53-'54 Freshman squad would have played all of its games like it played the season's opener, they would have had a fine season. In their first game the frosh defeated Rockmont College varsity 72-70. The hustling yearlings were trailing by 18 points at the half, but the frosh bounced back the second half to edge out the Rockmont five. The junior Buzz-Boys were hampered by a weak defense and didn't have enough height to cope with some of their opponents, but even with these very vital parts lacking the boys showed a terrific amount of hustle. The fact that the five outstanding freshmen played with the varsity instead of with the freshman team explains why the Regents suffered so many defeats.

BOB BUHLER, a Regis junior, took over the coaching duties early in the season and piloted the club through a rough schedule during which Regis faced such powerful opponents as Fitzsimmons Army Hospital, a talent-laden team composed of ex-collegians now in the service, the once-defeated Denver University frosh, and the Colorado A&M frosh five. The Regis yearlings displayed some talent during the season in the form of Jim Brown, who played some varsity ball as well as freshman ball, Gil Lofye, who scored 23 points in the seasons opener against Rockmont, and John Evans, a tall hard driving forward. These players should make a strong bid for berths on next year's Ranger varsity.

Rangers Nip Tennessee A & I

Kansas City — Paced by Allan Hower's 24 points and Mick Shannon's domination of the backboards, the Rangers clipped Tennessee A&I 61-53 in the opening round of the N.A.I.A. tournament in Kansas City.

The hustling Denverites really had their work cut out for them as they faced the top Negro college team in the nation. With Regis holding a 42-31 margin at the start of the fourth quarter, the taller Tennessee quint staged a rally to tie the score with five minutes to play. Then with Hower's sharp shooting and deadly accuracy at the charity stripe, the Rangers clinched the well earned victory.

"Till I waltz again with you."

D.U. Clips Regis

Denver, Dec 12 - Feb. 13 — Encountering a spirited Denver quint at the City Auditorium, the Ranger's Homecoming was stymied in the last three seconds of play by a long Pioneer jump shot. Lacking alert floor play the Northsiders failed to foil the late D.U. rally and succumbed 50-48. The only high scoring for the Ranger's was Mick Shannon's 18 points.

The story was the same on Feb. 13 as the Regions traveled to D.U. and were humbled 65-59. Due to uncontrollable first downs and two lost whistles the Pioneer's took metropolitan cage honor for the season as the Ranger's once again lacked experience.

St. Peters Ousts Rangers At Kansas City

In the second round of the NAIA Tournament, the Rangers were ousted by a 63-58 score and a fast breaking St. Peter's team. Leading throughout most of the contest the Mooremen couldn't stave off a late Peacock rally and consequently bowed out before a capacity crowd of 10,500. Shotwise Regis had a .333 average while St. Peters held a .313. Tom Hoogerwerf tallied 21 markers with Hower chipping in 13 as the Rangers finished the cage season with a fine record.
